Collecting 12 Cash prize symbols will award 1 additional spin along with a x10 multiplier for any Cash Collect Symbols. Once completed, no further spins or multipliers can be awarded.

In addition, the Golden Chip symbol is active. If it lands in view with a Cash Collect Symbols symbol, it accumulates all cash prizes in view before being collected.

Cash Spins continues until all spins are used, where the player is awarded the amount of the bonus winnings accumulated.

Cash Spins plays automatically at the same base bet and number of ways as the initiating game.

## Power Play (depending on jurisdiction and operator configuration)

The player can choose to play Power Play at any time by pressing the Power Play button.

The player can choose to play at 5x their Base Stake.

During Power Play only Cash prize symbols, Collect, Blitz Collect and Bonus symbols are in play.

The player can change their Stake at any time by pressing the stake button, as well as being able to return to the standard reels by pressing the STANDARD PLAY button.

## AUTOPLAY

(subject to operator configuration and jurisdictional requirements)

There is an Autoplay function in the game that will start each spin automatically.

By selecting 'AUTOPLAY' you can choose to bet automatically, one after the other.

Select your Loss Limit (maximum amount willing to lose for the autoplay session) and then press PLAY to begin your autoplays (other options are available).

Select your stake as normal then press the 'AUTOPLAY' button to select the number of 'Autoplay' bets you want to play.

You can stop Auto Play from continuing onto the next spin by clicking the 'STOP' button.

Auto Play will turn off if you reach the set Loss Limit, Win Limit, or if a Progressive pot is awarded (where applicable).

Auto Play will pause if you get into any bonus round and resume on returning to the Main Game.
